HASTA LUEGO MARVELWOOD!!!

NAOTO "NAO" KEGA

Fort Lee, New Jersey

Nine years ago I came to the country of freedom,
I didn't know one thing,
Maybe a little bit of alphabet,
I suffered through difficult times,
If there was one thing I could do best that
was the "spelling test", I used to ace
them.

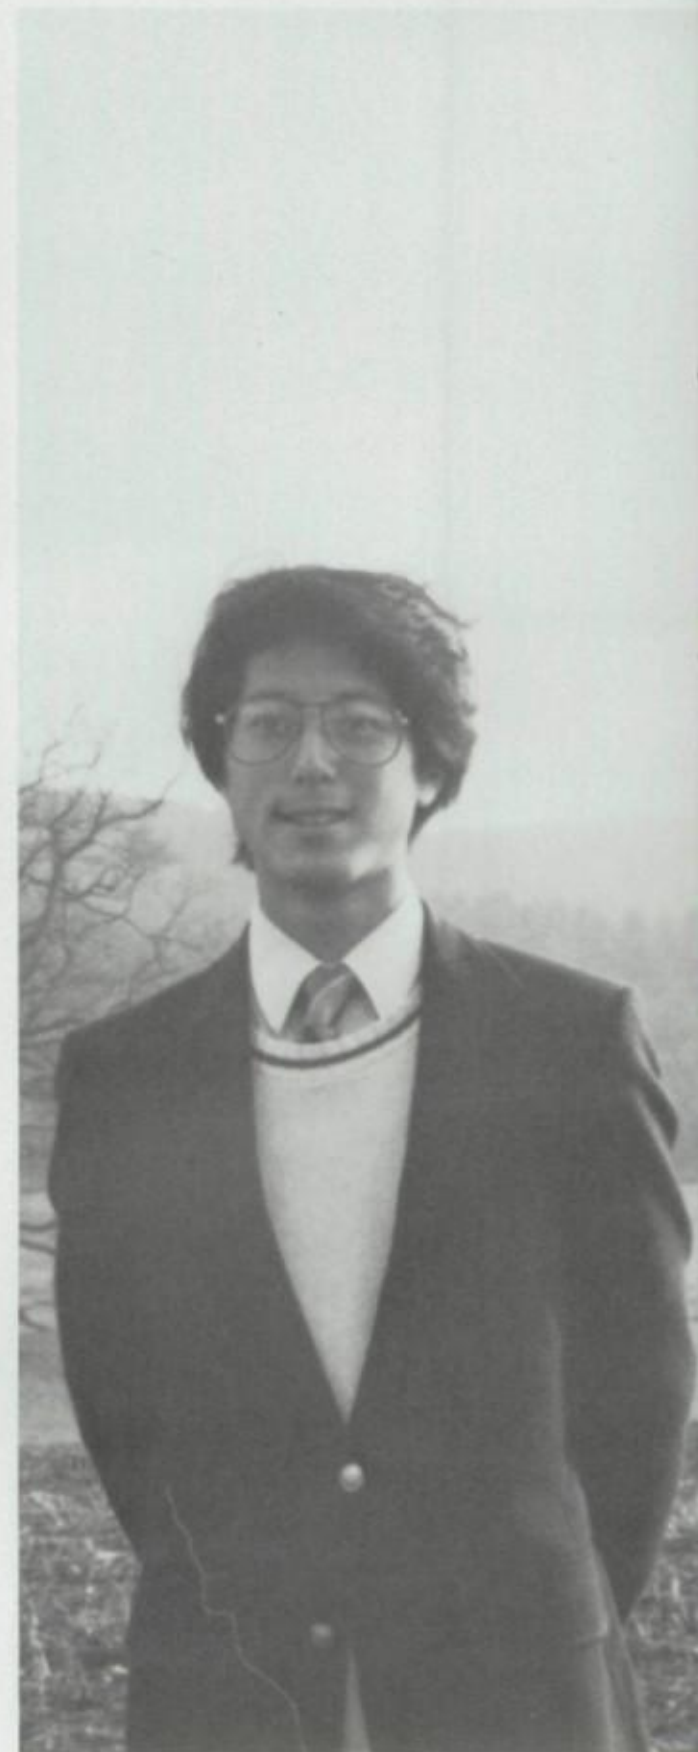

But look at me now,
I can read, talk, think, act, and play like an
American, sometimes I wish I was born
American,
Things could be much easier,
But I'm Japanese and I'm proud of it,
No one can change that, No One!
Do you know the kind of people who rule the
school? The nerds, jocks, Orientals, air
heads,
geeks, Dead heads, Kansha skis, losers,
and
cool people. Basically, we rule the school
and
not the faculty.

People are all different and that makes
every
individual interesting.

But Marvelwood will never find another
Chairman,

Why? -because- and just because.

JT, Mr Winkler, Mr. Corwin, Mr Babcock,
Ms. DeChabert, Mr. and Mrs. Walden
thank you for helping me in a lot of ways.
